Our 17 year history assures best practice in privacy, security and the ethical use of data

Privacy

- We have built our business based on privacy by design principles for the past 17 years
- Quantum has strict protocols around the receipt and storage of personal information
- All information is de-identified using an irreversible tokenisation process with no ability to re-identify individuals.

Security

- We are ISO27001 certified - internationally recognised for our ability to uphold best practice standards across information security
- We use 'bank grade' security to store and process our data
- Comply with 200+ security requirements from NAB, Woolworths and other data partners
- All partner data is held in separate restricted environments
- All access to partner data is limited to essential staff only
- Security environment and processes regularly audited by our data partners.

Ethical use of data

Applies to all facets of our work, from the initiatives we take on, the information we use and how our solutions impact individuals, organisations and society.

We all have a responsibility to use data for good

Quantum believes in using data for progress, with great care and responsibility. As such please respect the commercial in confidence nature of this document.

Executive summary

01

Task 1

- Annually, the increase in sales occurs in the lead-up to Christmas, a good time for sales promotion.
- Kettle products the most popular chips, while 175g is the best-selling size.
- Sales are coming mainly from Budget - Older Families, Mainstream - Young Singles/Couples, and Mainstream – Retirees.
- The high sales is mostly driven by the large number of customers in the latter two segments, the higher average purchase quantity of young and older families, and the high average purchase price of Mainstream midage and young singles/couples.

02

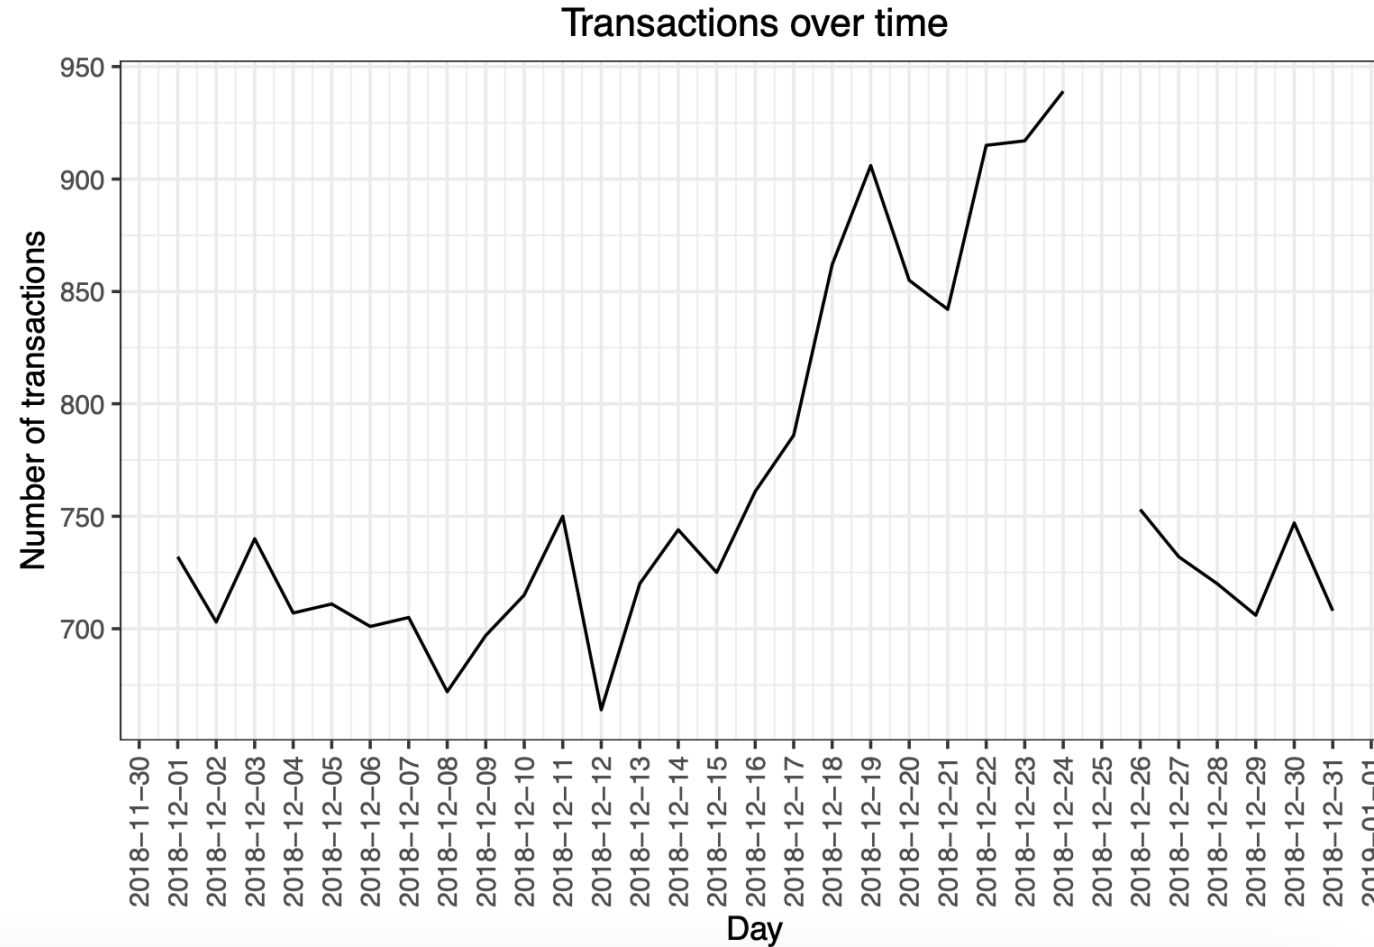

Task 2

- Trial store 77 and 86 experienced significant increase in Total Sales and Customers quantity during the trial period compared to their control stores.
- Trial store 88 experience increase as well, but insignificant compared to its' Control store

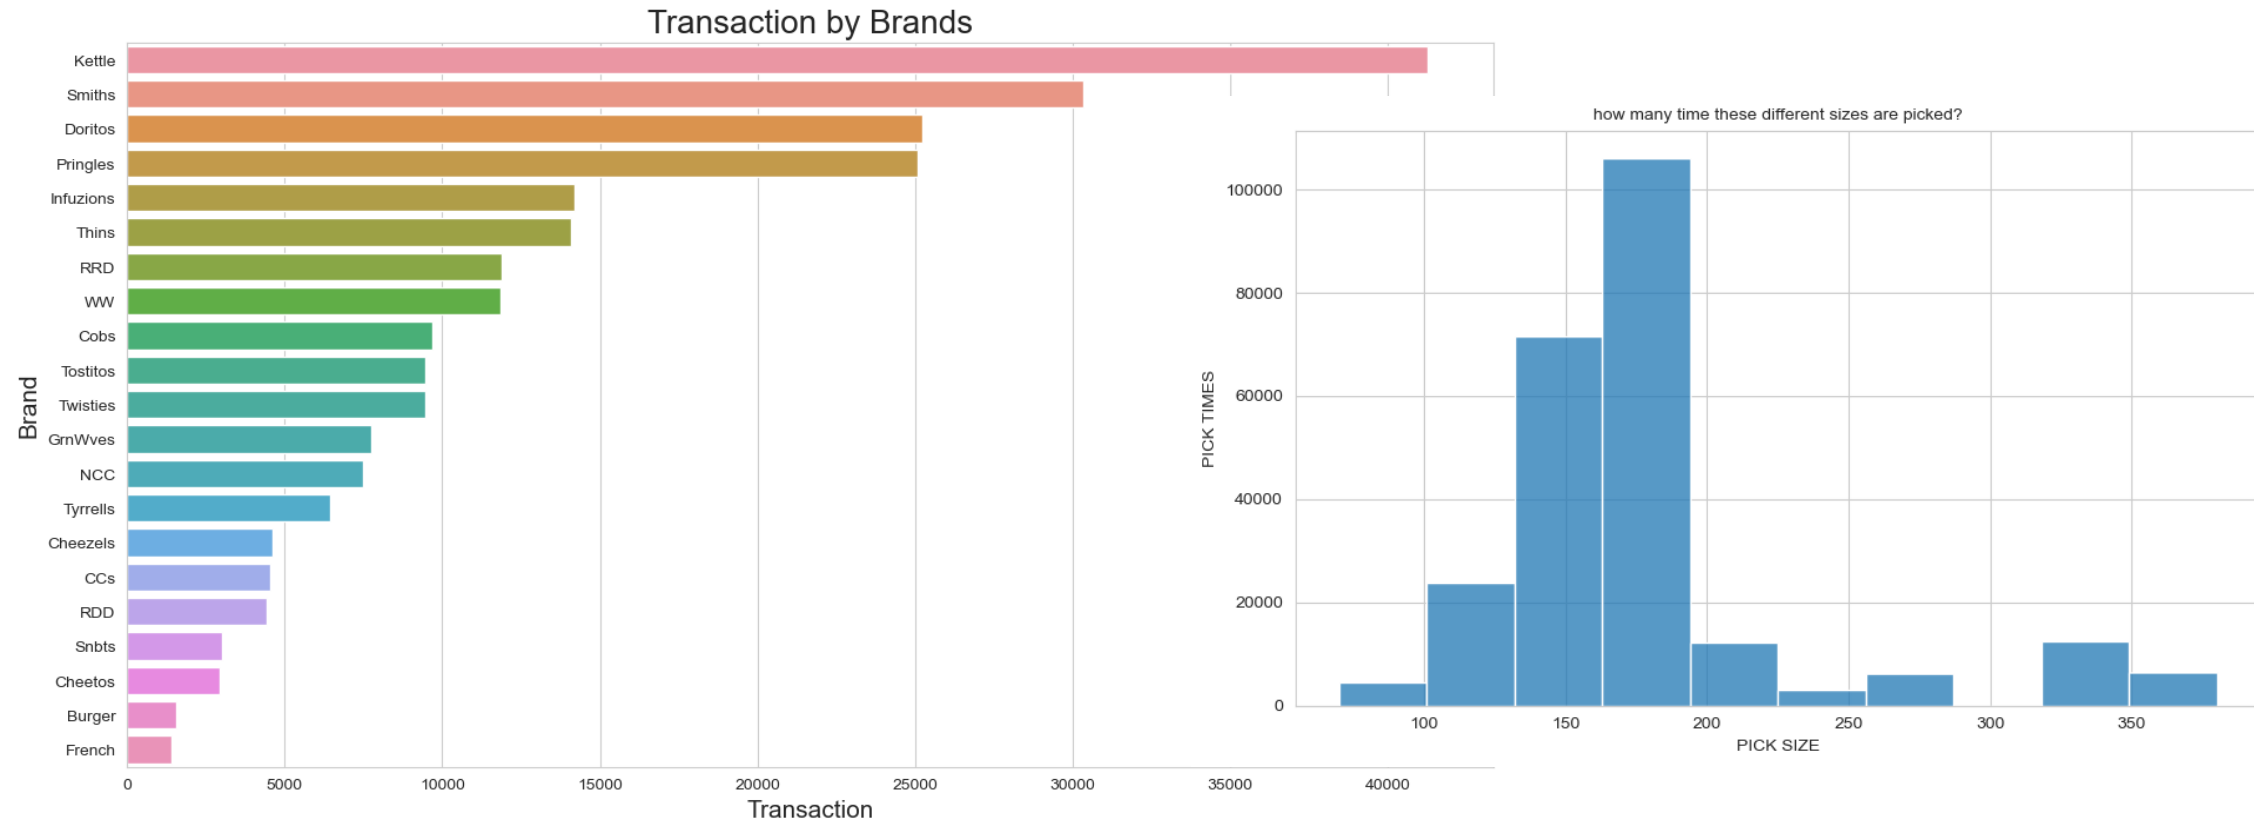

01

Category

Sales increase steadily approaching Christmas. Sales in 25th December was due to shops being non-operational during Christmas.

Kettle products the most popular chips, while 175g is the best-selling size.

Sales are coming mainly from Budget - Older Families, Mainstream - Young Singles/Couples, and Mainstream – Retirees

02

Trial store performance

The results for trial stores 77 and 88 during the trial period show a significant difference in at least two of the three trial months but this is not the case for trial store 86

The results for trial stores 77 and 88 during the trial period show a significant difference in at least two of the three trial months but this is not the case for trial store 86
